

# Memo

**To:** KG Drivers

**From:** KG Taxi

**Date:** March 7, 2016

**Re:** KG Development

---

Commencing **Tuesday 8 March 2016**, you will see some changes to our taxi base. You will no longer be able to access the downstairs parking lot via the Shell Service Station. The gate at the top of the ramp will be closed from approx. 6:30am until further notice. There will be no vehicle access and no pedestrian access until further notice. You will have access to downstairs via Tait St. The gate at the rear of the taxi car park will be open.

This is part of our upgrades which we expect to cause some disruption.

Apart from the ramp being closed, all other aspects of the KG Taxis are business as usual.

We apologise for any inconvenience and ask for your patience and understanding during this time whilst we try to build a brand new Service Station.

If you have any questions, please see Gerry in the Taxi Office.

Thank you.
